Vorteile

Die Bau- und Montagezeiten sind um mehr als 60 % kürzer als im Vergleich zur Montage eines herkömmlichen Bausystems, da es sich um ein sauberes, schnelles und leises Produkt handelt.

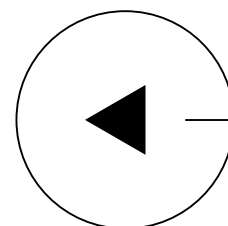

Vollkommen umweltfreundlich, sowohl bei der Montage als auch bei der Herstellung.

Seine einfache Montage macht es zu einem sehr leicht zu verarbeitenden Produkt, das die strengsten Sicherheitsstandards erfüllt.

Eigenschaften

Technische Mehrzwecklösung für jedes Gebäude, welche sich effektiv an verschiedene Gebäudetypen und -bedürfnisse anpassen lässt. Die TC-Serie ist so konzipiert, dass sie sich in völliger Harmonie mit dem bestehenden Gebäude und seiner Umgebung integriert.
